Mr. N. S. Hopkins  
Williamsville, N.Y.

Dear Sir:

Responding to your letter of February 14th, I am glad to enclose an application card for Associate Membership. The annual dues are five dollars, and this entitles you to the publications of the year, issued in the "Numismatic Notes and Monographs" series. One of the advantage of being a member is that the monographs come to you at less cost than if purchased individually. Aside from that, of course, we are glad to be of any possible assistance. Upon the return of the card, we shall present your name to the Council at its next meeting, in March. The requirement for membership is an interest in numismatics.

I regret to advise that the monograph on French decorations is out of print. I will send you the other and await advice as to whether you will accept as a substitute the number on Spanish decorations, the price of which is three dollars.

We are just moving into our enlarged Museum, and I am unable to give you a definite answer about duplicates. Should you be in New York at any time, we should be very glad to have you give us the pleasure of a visit, and if you will mention the matter at that time, we shall see what we have, although I fear this will not involve a great number.

Yours very truly,

Secretary.
